Introduction

Australian Professional Training Academy is a Registered Training Organisation (RTO number 41495) registered with the Australian Skills Quality Authority. Australian Professional Training Academy is proud to offer training in HLTAID004 - Provide an emergency first aid response in an education and care setting.

Course Description

This course provides learners with the skills and knowledge required to provide for HLTAID004 - Provide an emergency first aid response in an education and care setting and is designed to meet the requirements from the HLT Health training package.

Learners will understand how to respond to an emergency situation, apply first aid procedures and communicate the details of an incident to relevant personal. Additionally, you will also recognise the need to evaluate the incident and your own performance

This course is essential for people who are required to be able to provide first aid if an emergency situation arises in the course of their employment, or everyday life.

This course prepares learners to undertake the assessment to obtain a Statement of Attainment in HLTAID004 - Provide an emergency first aid response in an education and care setting.

Mode of Delivery

Delivery of this course will be trainer led, face-to-face in a classroom setting combined with skills practice assessment

Assessment Summary

The student will be assessed by demonstrating procedures applicable to this unit. They will also be required to answer a number of oral and written questions regarding their actions and theoretical application of knowledge. The assessment will also be part of a simulated activity set by the assessor.

This assessment must be conducted by an assessor of Australian Professional Training Academy and must be completed in the workplace or in another environment that accurately simulates the workplace. The is to actively set tasks for the student and must observe these tasks being performed.

To standardise the application of this assessment, the assessment tasks (required skills and knowledge) are based on those specified in the Unit of Competency, HLTAID004 - Provide an

emergency first aid response in an education and care setting. The assessor will use an assessment instrument mapped accordingly to the assessment requirements of this Unit of Competency.

Assessors will apply an assessment procedure to ensure you are ready for the assessment and have the right resources and equipment to achieve the right standard.
