

HLTAID001 Provide cardiopulmonary resuscitation

Introduction

Australian Professional Training Academy is a Registered Training Organisation (RTO number 41495) registered with the Australian Skills Quality Authority.

Course Description

This course provides learners with the skills and knowledge required for HLTAID001 Provide cardiopulmonary resuscitation. This course is designed to meet the requirements from the HLT Health training package.

Learners will understand how to respond to an emergency situation, perform CPR and then communicate the details of the incident to relevant personal.

This course is essential for people who are required to be able to provide CPR if an emergency situation arises in the course of their employment.

This course prepares learners to undertake the assessment to obtain a Statement of Attainment in HLTAID001 Provide cardiopulmonary resuscitation

Mode of Delivery

Delivery of this course will be trainer led, face-to-face in a classroom setting combined with skills practice assessment.

Assessment Summary

The student will be assessed by demonstrating procedures applicable to this unit. They will also be required to answer a number of oral and written questions regarding their actions and

theoretical application of knowledge. The assessment will also be part of a simulated activity set by the assessor.

This assessment must be conducted by an Australian Professional Training Academy assessor and must be completed in the workplace or in another environment that accurately simulates the workplace. The assessor is to actively set tasks for the student and must observe these tasks being performed.

To standardise the application of this assessment, the assessment tasks (required skills and knowledge) are based on those specified in the Unit of Competency, HLTAID001 Provide cardiopulmonary resuscitation and those of the Health Training Package. The assessor will use an assessment instrument mapped accordingly to the assessment requirements of this Unit of Competency. Assessors will apply an assessment procedure to ensure you are ready for the assessment and have the right resources and equipment to achieve the right standard.

Course Topics

- Recognise an emergency situation
- Assess casualties and recognise the need for CPR
- Perform CPR in accordance with ARC guidelines
- Display respectful behaviour
- Operate AED

National recognition

On successfully completing the training and assessment you will be issued a Statement of Attainment issuing you the unit of competence: HLTAID001 Provide cardiopulmonary resuscitation (Release 5, 6 Aug 2015).

This unit of competence is nationally recognised and provides individuals with a valuable outcome that can be applied throughout Australia.

Course Commencement Dates

Contact us for course dates and times.

Course Duration and Location

The course is delivered 6 hours face to face.

A pre-course workbook is provided. Face to face 6 hours theory and practical training followed by practical and theory assessment.

Training is delivered at the following address:
Suite 11, 61-67 Haldon Street, Lakemba, NSW 2195.

Course Materials

Learner training is supported through the provision of quality learning materials and resources.

Course Conduct

Learner training is supported through the provision of quality learning materials and resources.

On arriving, learners will complete any outstanding enrolment administration and then participate in group learning activities about the theory of CPR, then we put what is learnt into practice via our practical component. There is sufficient time over the day for additional one-on-one training for those requiring it. At Australian Professional Training Academy, we provide a friendly and supported environment to learn and achieve.

Pre-Requisites/Entry Requirements

- There are no qualification pre-requisites for this course.
- Learners must be aged 18 years or older
- Photo Identification is required to be sited prior to course commencement.
- Language, literacy and numeracy skills required to interpret legislative requirements and to undertake written and practical assessment activities.
- All course materials will be provided by Australian Professional Training Academy.
- Learners must be physically capable of bending and kneeling to provide first aid to a person on the floor. This includes performing CPR for up to 5 minutes.

Clothing Requirement

Learners may wear work wear or casual dress which is comfortable to move about in.

Fees and Charges

Information about fees and charges is provided in the Schedule of Fees and Charges which will have been included in your pre-enrolment information package. The basic course fees are:

- \$60 per person

Please refer to the Schedule of Fees and Charges as it contains important information about related charges and our refund policy.

Confirmations

A learner's position on the course will only be confirmed upon a completed enrolment form and the payment of your course cost.

Numbers are limited to 6 persons, so confirmed enrolments will only be able to attend. Please contact us to schedule your training.

Duty of care

Australian Professional Training Academy adopts high standards in duty of care of its learners and instructors. Australian Professional Training Academy reserves the right to turn anyone away that seems to be under the influence of drugs or alcohol.

This action is to ensure that the learner and instructors safety is assured and that Australian Professional Training Academy maintains an accident free learning environment and complies with our duty of care responsibilities.

Australian Professional Training Academy is responsible for the quality and delivery of training and assessment and will be the organisation issuing any qualifications and statements of attainment to eligible learners.

This document must be read in conjunction with the Learner Handbook, Schedule of Fees & Charges and USI Fact Sheet.
